Local Public Authority Name: Seneca County Industrial Development Agency

Fiscal Year: January 1, 2021– December 31, 2021

Enabling Legislation (enables Local Public Authority Mission Statement): Industrial development agencies (“IDAs”) are formed under Article 18-A of New York State General Municipal Law, as public benefit corporations. IDAs were created to actively promote, encourage, attract and develop job and recreational opportunities and economically-sound commerce and industry in cities, towns, villages and counties throughout New York State (the “State”). IDAs are empowered to provide financial assistance to private entities through tax incentives in order to promote the economic welfare, prosperity and recreational opportunities for residents of a municipality (“Benefited Municipality”).

Mission Statement: Pursuant to the Authority granted by the State of New York, it is the mission of the Seneca County Industrial Development Agency to advance the job opportunities and economic welfare of the people of Seneca County, by actively promoting, encouraging and attracting economically sound commerce, industry and recreational opportunities. The Seneca County Industrial Development Agency will achieve this mission by utilizing the powers granted to it by New York State that provide financial assistance to qualified projects. This assistance can include conduit bond financing, lease/leasebacks, and exemptions from taxation, and support to other organizations with similar missions. The Board and staff of the Seneca County Industrial Development Agency will carry out this mission guided by the tenets of transparency, integrity and accountability.
